

**Schedule of Daily Equestrian Events, Sponsored by the Sonoma County Horse Council**

Location: Chris Beck Arena

The Sonoma County Horse Council will sponsor a showcase of equine activities at the Sonoma County Fair. On Tuesday, July 29th and Wednesday, July 30th the Chris Beck Arena will be filled with all things equine. There will be breed shows, gymkhana demos, a presentation from the local Pony club, natural horsemanship demos of various levels, mules, and more. The events will be hosted by Joel Bartlett.

It is both an ideal opportunity to learn more about the county's equine programs, as well as a chance to meet the leaders in the field and become involved in the Sonoma County horse community.

The shows and demonstrations begin at 1:00 and end at 6:00 both days, and are free with fair admission. For additional information go to [www.sonoma-horse-council.com](http://www.sonoma-horse-council.com) or call 707-583-2317.
